APM

How to get to APM by road

Andrew Watson

Abstract

A single sheet designed to be sent by fax or emailed as Postscript, giving directions to APM for those arriving by car, and including a small sketch-map of the area surrounding Castle Park.

Getting to Castle Park by road -

From the North (A1), take A604 (SW), which becomes A14. Leave dual carriageway just before it becomes M11, and follow A1307 straight on for Cambridge. Go straight over first traffic lights (after approx. 3 miles, by Texaco petrol station), then 100 yds later turn left immediately after second set, by Sir Isaac Newton pub, into Castle Park.

From the East (A14, formerly A45), take the B1049 (Cambridge, Histon) exit, the third Cambridge exit from the A14. Continue for approx. 2 miles to T junction with traffic lights by Texaco petrol station. Turn right, then immediately left and left again into Castle Park.

From the South (A1), leave A1(M) at Junc. 9 (Baldock, A6141); turn right, go through Baldock towards Royston on A505. At third roundabout on A505 (after approx. 10 miles) turn left to Cambridge (A10). After passing through Harston join M11 northbound at junction 11, then ...

From the South (M11), leave M11 at junction 13, turning right at traffic lights (signposted Cambridge). After about 3 miles turn left at mini-roundabout, then left at traffic lights (200 yards). Go up Castle Hill (300 yards), then turn right into Castle Park just after Sir Isaac Newton pub, immediately before traffic lights at top of hill.

Getting to Poseidon House -

Having entered Castle Park, go straight across small junction; Poseidon House is then the second building on the left. There is limited visitor parking outside - if this is full, use the Pay and Display car park behind Poseidon House (see diagram below).
